APGO EDUCATION FOUNDATION WILL ATTEND PDAC 2018

February 21, 2018, Toronto, Ontario: The APGO Education Foundation (“the Foundation”) is pleased to announce that it will be attending the PDAC (Prospectors & Developers Association of Canada) 2018 Convention, at the Metro Toronto Convention Centre, in Toronto, Ontario. The convention will take place Sunday, March 4th until Wednesday, March 7th. The Foundation will be in Booth #0851 in Trade Show South.

The Foundation will be showcasing its website, GeoscienceINFO.com. This site is aimed at the public, teachers, and students, and provides accurate, up-to-date information about geoscientific principles, processes, and news. One highlight of GeoscienceINFO.com is its Virtual Field Trips page, which features online field trips of locations across Ontario. Using GoogleEarth™ to navigate, these trips include hundreds of photos of outcrops and hand samples, and a geological history of each site. We welcome everyone attending PDAC 2018 to visit us and take a virtual field trip to one of our many sites!

ABOUT THE APGO EDUCATION FOUNDATION

The APGO Education Foundation is a registered charitable organization under the Canada Not-for-profit Corporations Act, registration number 84604 5052 RR0001. The purpose of the charity is to advance the education of the public in the area of geoscience by 1) providing scholarships to post-secondary students for the study of geoscience in a degree program; 2) providing bursaries to immigrants to Canada who are internationally-trained geoscientists and have demonstrated financial need for completion of licensure procedures for registration as a professional geoscientist in Ontario; and 3) holding lectures, presentations and conferences on geoscience to enhance the knowledge of the general public.
