**June 9, 2017, Toronto, Ontario:** The APGO Education Foundation (“the Foundation”) is pleased to announce the recipients of its annual awards under the **Scholarship Program** to support post-secondary students in the third year of a geoscience degree program at an Ontario university. The 2017 scholarship recipients are:

- **Pamela Iraheta Muniz – Carleton University**
- **Adrian Oberland – Laurentian University**

The Foundation scholarships are \$5,000 each. These students are on track to meet the requirements for advancement into a fourth year that will enable completion of the knowledge requirements for professional registration in the Association of Professional Geoscientists of Ontario (APGO). The scholarship recipients were chosen by a Selection Committee formed by the Board of Directors of the Foundation and received the scholarships at the Annual Meeting of APGO held on June 8th in Toronto.

Dr. Bill Pearson, P.Geo., Chair of the Foundation, commented: “We are delighted to award scholarships to these two outstanding students. They have exceptional academic credentials, and have demonstrated professionalism. These scholarships will help support them as they work to complete their geoscience degree program. We will be working to continue and expand our scholarship program in the future.”
